

SEQUENCE LISTING

Applicants hereby state that the paper copy of the Sequence Listing set forth below is substantively identical to the computer readable copy of the Sequence Listing filed in application number 09/506,548, filed February 17, 2000. In accordance with 37 C.F.R. § 1.821(e), please use the last-filed computer readable form filed in that application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the instant application.
